### Locking Pliers and Locking Blades

Locking pliers that fold away make Crunch unlike any multi-tool available today. It's like carrying a vise with you. Clamps up to a 1" diameter pipe. Remove the adjusting screw and you'll find a 1/4" hex-bit adapter built right in. Locking blades release with the push of a button.

### Accessories

Replace that worn sheath you've had on your belt all these years. Or show that you're part of the Leatherman World with a new T-shirt or cap. [Click here](#) to learn more about these and other genuine Leatherman accessories.
